

PRIMARY CARE

FOR TRANS AND GENDER-DIVERSE CLIENTS

Monday October 16th, 9:00am – 4:00pm

St. Francis Memorial Hospital, Educational Room
7 St. Francis Memorial Drive, Barry's Bay

Open to primary care providers, specialists, and other prescribers.
THIS SESSION HAS BEEN APPROVED FOR UP TO 5.0 MAINPRO M1 CME CREDITS.

Facilitators:

Dr. Blair Voyvodic - Family doctor and psychotherapist, supporting trans and gender-diverse folks across the north and in remote areas to access support and treatment

Jordan Zaitzow - MSW, current Trans Health Connection Coordinator at Rainbow Health Ontario, experienced trainer and educator.

Please join us for an engaging and interactive session, focusing on:

- Initiating and monitoring hormone prescribing
- Completing assessment, monitoring, and follow-up for hormone therapy
- Utilizing local clinical guidelines to inform and guide practice
- Ongoing preventative care for trans and gender diverse clients
- Providing holistic community-based gender-affirming services to trans and gender diverse clients
