

Participants Needed for Research on Bisexuality

We are looking for volunteers who are bisexual+ and between 18-35 years old to take part in a study on positive experiences of bisexuality.

As a participant in this study, you will be asked to complete weekly online surveys about your positive experiences of bisexuality, your identity, and feelings of anxiety and depression.

Your participation would involve **four** sessions, each of which is approximately **20** minutes. Each survey is rewarded with an entry to a draw for **1 of 5 Amazon gift cards**.

For more information, or to volunteer, contact **Carolina de Barros (they/them)** at ac.debarros@usask.ca. You can also access the survey at <https://www.surveymonkey.ca/r/BiEventsBaseline> or by scanning the QR code at the top of this page.

This study has been approved by the University of Saskatchewan Behavioral Research Ethics Board.
