

PACT PILOT STUDY

We are seeking 25 TRANSGENDER volunteers. Your participation can make a difference!

This study aims to see how we can use daily surveys to better understand transgender adults' alcohol use and related experiences.

TO PARTICIPATE IN THIS VIRTUAL STUDY, YOU MUST:

- Be 19 years old or older
- Identify as transgender and/or non-binary
- Live in Canada
- Drink alcohol regularly
- Own a smartphone

WHAT IS INVOLVED?

A brief anonymous online screening survey to confirm eligibility.

Please visit this link

(https://ryersonpsych.co1.qualtrics.com/jfe/form/SV_7PdYqBO10s0yLum)

or scan the QR Code to access the survey.

If your eligibility is confirmed, you will be asked to complete:

- Baseline Interview (2 hours)
- 21-days of short phone surveys (~10 mins)
- Exit interview (1 hour)

Compensation up to \$170 CAD in e-gift cards will be provided.

For questions or more information, please contact the CARE Lab at carelab@ryerson.ca
